

○ PONTOON

● RUNABOUT

● DECK BOAT

Sylvan pleasure boats give you more ways to enjoy your time with friends and family with the most innovative floorplans you'll find anywhere.

The versatility of every boat is enhanced with both standard and optional features to help you enjoy more of your favorite watersports.

Fishing is a favorite of sportsmen and families alike. That's why we offer a wide selection of pontoon fishing packages and fiberglass fish & ski models — equipped with features for anglers at every level.

## Making our mark on the water.

At Sylvan, we know the many reasons you come to the water. Maybe you grew up here and keep returning to relax and reconnect with friends. Or maybe you have a family of your own now, and you want to give them the very best experiences — shaping them with impressions that will last a lifetime. In short, you want to make your mark on the water, summer after summer. Like we have. In fact, Sylvan's devoted nearly 50 years to creating better boating experiences for families like yours. With a wide selection of pontoons, deck boats and runabouts that are well within reach. And this year, we're bringing you more great models than ever before. So take a closer look. Because all across the country you can look out on the water and see the reflection of one great name. Sylvan.

### It's all about being together.

If you're considering a pontoon, you're looking for the very best way to spend time on the water with friends and family. That's why we're continually engineering more possibilities. Like new floorplans, with more of your favorite furnishings and innovative designs. One model that's sure to turn heads is the 8527 Mandalay RE HT. In addition to its "upstairs" seating, it features a new optional bar area with bar stools — which is perfect for entertaining. Other thoughtful details you'll find this year include deluxe, interior lighting and more beverage holders in more convenient places than ever before.

### Quality that's a cut above.

Allow us to point out a few of the ingredients that add up to a superior pontoon. Our 1-1/4" railings exceed industry standards and are either anodized or powder coated for showroom looks that'll last for years to come. You'll also appreciate our superior gate design — with Posi-Lock latches and heavy-duty hinges. Our fence panels are insulated, to prevent the rattling that otherwise develops over time. And our bimini tops are the easiest to use with quick-release latches and struts, not straps, as well as high-quality canvas.

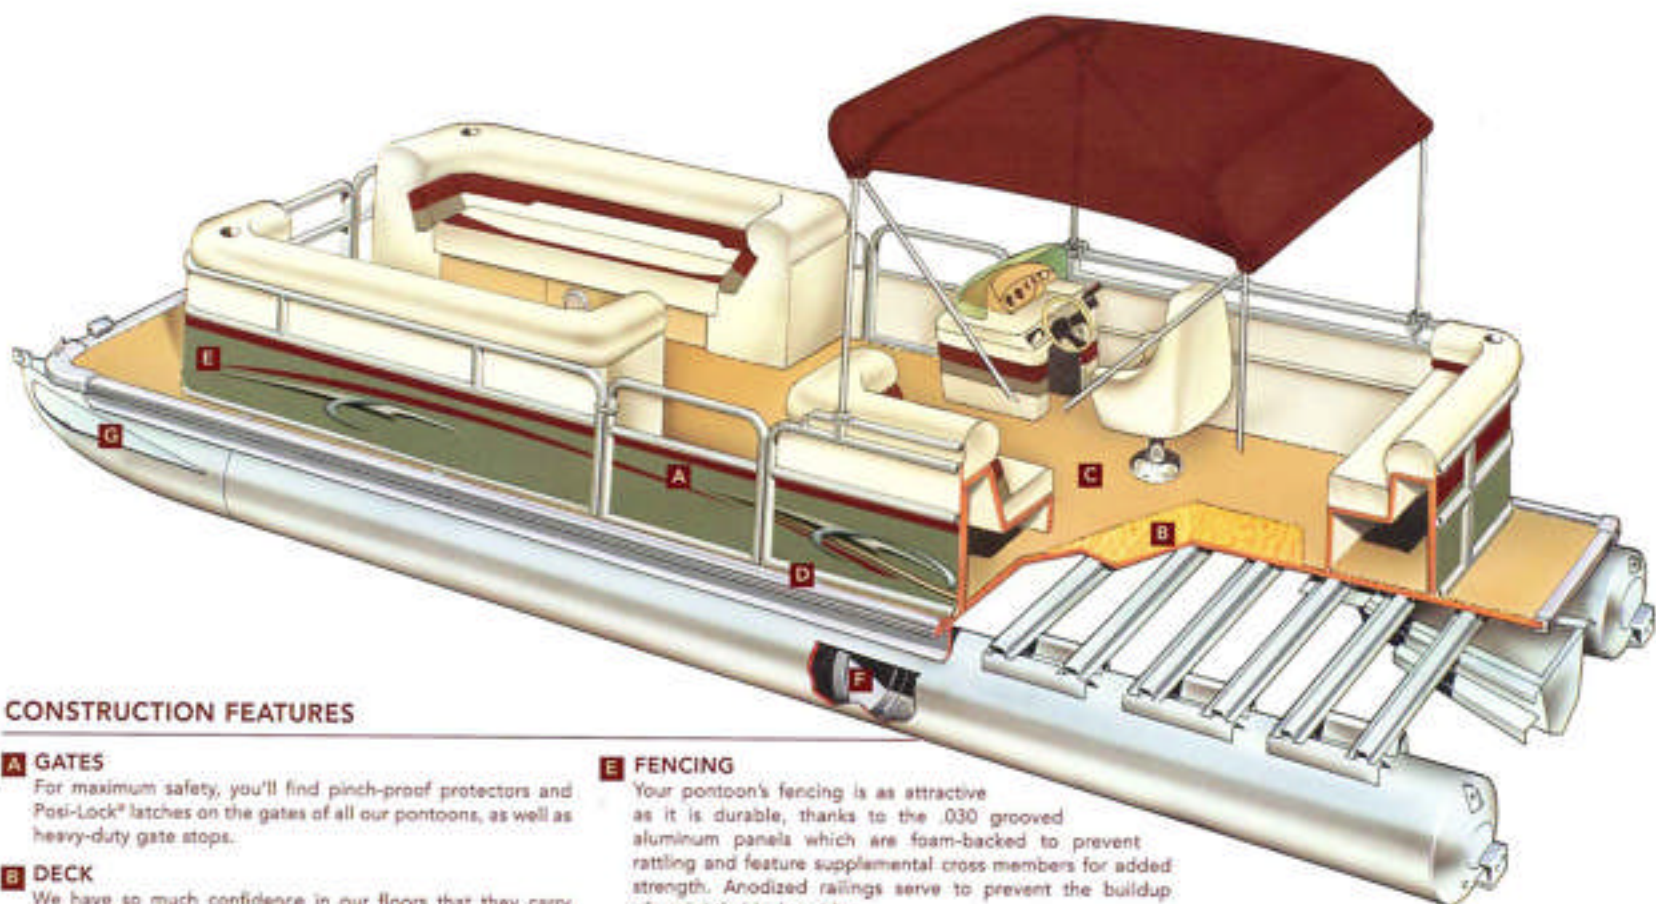

**Great performance starts behind the scenes.**

Most manufacturers might not put "performance" and "pontoon" in the same sentence. But then, they probably don't offer as many advanced features as you'll find on a Sylvan. Every model includes full-length keels and nose cone fins, while select models offer aluminum bottom skin and performance tubes — all to give you superior handling and the added muscle to enjoy your favorite tow sports. Other important details include waterproof sheathed wiring with state-of-the-art Deutsch connectors, as well as a sophisticated drainage system, allowing water to drain through the seat storage and out of the pontoon.

## CONSTRUCTION FEATURES

### A GATES

For maximum safety, you'll find pinch-proof protectors and Posi-Lock® latches on the gates of all our pontoons, as well as heavy-duty gate stops.

### B DECK

We have so much confidence in our floors that they carry a lifetime, transferable warranty. Every pontoon features 3/4" Marinetech PTP 7-ply pressure-treated plywood that won't warp or rot. And the floor is securely through-bolted and screwed to the hat channels for a powerful hold.

### C CARPET

Our seamless plush pile carpet (up to 32 oz.) is made of 100% U.V. stabilized polypropylene and has a five-year warranty. For extra durability, we bond it to the deck with marine adhesive and 200 lbs. of rolling weight, while stainless steel staples secure it to the perimeter of the deck.

### D SPACERS

Our pontoons feature 3/8" spacers between the fence bottom and the deck, allowing water to drain easily and cutting carpet drying time in half.

### E FENCING

Your pontoon's fencing is as attractive as it is durable, thanks to the .030 grooved aluminum panels which are foam-backed to prevent rattling and feature supplemental cross members for added strength. Anodized railings serve to prevent the buildup of unsightly black residue.

### F TUBE CONSTRUCTION

Because so much is riding on the tubes, we back ours with a lifetime warranty. Unlike other manufacturers', our tubes are heavy gauge (L80) with welded chambers to keep the pontoon afloat even if a section becomes punctured, and they feature rear anti-electrolysis drain plugs for easy draining. In addition, our air-filled tubes make the pontoon lighter, giving you more power and better fuel economy.

### G NOSE CONE

Our nose cone knifes cleanly through the water, with two 13" fins deflecting water away from the boat, giving you a smoother, drier ride. The anti-puncture skid bar runs the entire length of the tube for added protection and steering control. And an extruded aluminum cap adds strength to the cone and protects you from sharp edges.

## "V" TRANSOM

Our all-aluminum "V" transom carries a lifetime warranty and is designed to reduce spray and prevent cavitations in turns. Fins work to provide the optimum lift for better water flow and faster speeds.

## FULL-LENGTH KEEL/SKID BAR

Our tubes feature a 1/2" aluminum keel running the full length of the tube. This provides maximum protection for the tubes while trailering and serves to deflect debris, enhance steering, and help prevent drifting.

## ALUMINUM BOTTOM SKIN

Select pontoons feature our aluminum bottom skin, for a smoother glide that helps your engine operate more efficiently and saves you fuel, even at higher speeds.

## LOUNGE FURNITURE

The comfort and durability of our lounge furniture starts with reliable rotocast bases which provide dry underseat storage areas. Our thick foam padding is treated with biocide, and our 33 oz. high-grade marine vinyl features a stain resistant topcoat that protects the beauty of the furniture for years to come.

**NOTE:** Because weight distribution is extremely important when operating a pontoon boat, passenger weight should be distributed evenly for best overall performance. Also keep in mind that a four-stroke engine is much heavier than a two-stroke engine, significantly increasing the weight load in the stern. Check with dealer for performance evaluation and weight differential for four-stroke and two-stroke engines.

## CROSS CHANNELS

There's no substitute for a strong foundation — and that's what you get with our 8" (or 8.5") x 6" x 1/8" aluminum hat channels. They are double through-bolted onto deck risers every 24" for exceptional support and structural integrity, and they actually double the amount of Z-channels used in other pontoons.

## Mandalay 2005

You simply can't top this.

The possibilities are endless on a Mandalay. Our flagship pontoon features more luxury than you've ever imagined, including our amazing hard top model. You'll also enjoy wraparound couches and L-group seating, as well as a lighted changing room. Impressive options you'll want to consider include a galley with refrigerator and a ski tow — all giving you maximum versatility for all-day outings.

## Mirage Sport 2005

You're looking at the youngest pontoon ever designed.

Yes, there's a youth movement in the pontoon world, and it's called the Sylvan Mirage Sport. You'll love the contemporary decor with rounded fronts and plush wraparound seating. You'll also enjoy the excitement of its maximum 200 horsepower capacity and the enhanced performance of 25" tubes and aluminum bottom skin. You also have the option of a tri toon and a performance package with lifting strakes. In short, this is a pontoon that knows how to make waves.

## Mirage Cruise 2005

How do we define family-friendly?  
With something for everyone.

Take a closer look at the Mirage Cruise series, and you'll be impressed by its comfort and versatility. You'll find plush seating groups, a large padded sundeck and a cozy high-back helm chair. You'll also have the convenience of a 24 gallon fuel tank and console cooler storage with an optional 36 qt. cooler. In addition, to enhance the pontoon's performance, you have the option of a tri toon and aluminum bottom skin.

### The soundtrack to a great summer.

Sylvan is proud to offer legendary JBL® audio components engineered for the marine environment. The speakers are UV and water resistant with rubber surrounds, while the receivers include such features as electronic tuning, scan/seek functions, station presets, rolled silicone rubber buttons and a water-resistant flip-down face. In short, your favorite music never sounded better.

#### SYLVAN WARRANTY

Sylvan warrants each new fiberglass hull for a period of five (5) years, from the date of purchase by the original purchaser (based on years of use under normal recommended operating conditions) as described in the warranty folder. A copy of the Sylvan Limited Warranty is attached to each new Sylvan boat, or may be obtained from any dealer or the Sylvan factory.

#### **A** STRINGER SYSTEM

The strength of the hull comes from our pre-assembled, interlocking stringer system, built with pressure-treated wood. It is thoroughly encapsulated in fiberglass and laminated to the hull with superior 2415 Fab-Mat for added reinforcement.

#### **B** 7-LAYER CONSTRUCTION

All our fiberglass boats feature our exclusive 7-layer construction process. This begins with our superior hand-polished and waxed molds and continues through every detailed step to the final hand rolling, ensuring the elimination of unwanted air pockets.

#### **C** MARINE GEL COAT

For a high-gloss look that lasts for years, our fiberglass boats are finished with an ISO NPG marine gel coat that resists chipping, cracking and fading.

#### All the ways we make life easier.

Sylvan pleasure boats offer more standard and optional features designed to let you enjoy all-day outings. Depending on the model you choose, you'll find pressurized water systems with sinks, faucets and transom showers, as well as lighted changing rooms with Porta-Potti®, galleys with stove and sink and large capacity fuel tanks.

## Runabouts 2005

Whether you like fishing or skiing, you'll all agree on a great boat.

Welcome to the sporty side of versatility. Our V170 series includes OB and I/O models — both with Fish & Ski packages. You'll enjoy open bows with cushioned seating, curved walk-through windshields and companion bucket seats. And no matter which model you choose, you'll have plenty of dry storage space for all of the day's gear.

RUNABOUTS	LENGTH	BEAM	DEAD RISE DEGREE	DRY WEIGHT LBS.	MAXIMUM PERSONS	MAXIMUM CAP. LBS.	MAXIMUM H.P.	FUEL CAP. GAL.
<b>170 I/O</b>	16' 10"	90"	15	1,595	8	1,075	190	23
<b>170 I/O F&amp;S</b>	16' 10"	90"	15	1,595	8	1,075	190	23
<b>170 OB</b>	16' 10"	90"	15	1,520	8	1,100	130	23
<b>170 OB F&amp;S</b>	16' 10"	90"	15	1,520	8	1,100	130	23

All boats using OBs greater than 125 H.P. should have dual or hydraulic steering.

170 I/O F&S

170 OB

170 OB F&S

**MERCURY**  
1 On The Water

#### BOW SEATING

Cushioned bow seating provides plenty of comfortable room for passengers up front.

#### SKI TOW

(170 I/O and 170 I/O F&S)

A ski tow ring is standard on the I/O models, while a ski tow is an option on the OB.

#### BOARDING LADDER

(170 I/O and 170 I/O F&S)

In the stern, you'll find an integrated swim step with boarding ladder.

#### DRIVER'S CONSOLE

(170 I/O and 170 I/O F&S)

You'll love the sporty dash with easy-to-read domed gauges.

#### LIVEWELL

(170 I/O F&S and 170 OB F&S)

The Fish & Ski models feature a built-in aerated livewell to safely hold your catch.

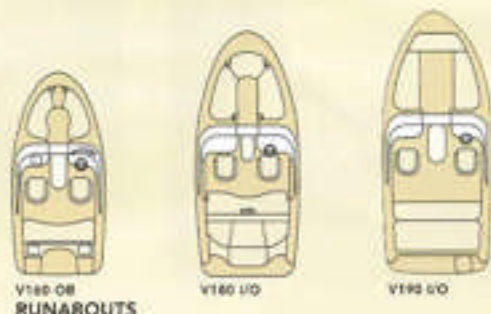

## Runabouts 2005

### At Sylvan, the V stands for sporty.

Are you looking for a smooth handling sport boat with exceptional performance? Then you're on the right page. Our 2005 runabouts boast more features for the money than you'll find anywhere else. With cushioned open bows, large sundecks and roomy seating for eight (six on the 160). Plus, you'll have the sharpest looking boat on the water — thanks to its high-gloss marine gel coat finish, it'll keep its showroom looks for years to come.

RUNABOUTS	LENGTH	BEAM	DEAD RISE DEGREE	DRY WEIGHT LBS.	MAXIMUM PERSONS	MAXIMUM CAP LBS.	MAXIMUM H.P.	FUEL CAP. GAL.

## Deck Boats 2005

### You're looking at a big step up.

Welcome to the luxury living of a Space Ship deck boat. These amazing boats combine remarkable performance with every imaginable comfort, to give you a boat that's the envy of the water. Indeed, everything is state-of-the-art, from the sophisticated drainage system with self-bailing cockpits, to the awe-inspiring consoles to the amazing sound systems. In addition, you can customize your Space Ship with a wide range of options depending on your model, including a wake tower package, a fishing package and satellite radio system.

DECK BOATS	LENGTH	BEAM	DEAD RISE DEGREE	DRY WEIGHT LBS.	MAXIMUM PERSONS	MAXIMUM CAP. LBS.	MAXIMUM H.P.	FUEL CAP. GAL.

For Deck Boat standards & options, please see pages 36-37.

## Space Decks 2005

Welcome to the best of both worlds.

Our popular Space Deck series continues to be the ideal choice for families looking to combine the roomy floorplan of a pontoon with the sporty performance of a fiberglass deck boat. These remarkable values are the true definition of versatility, with countless high-quality features. You have your choice of fishing packages and the luxurious GLX with rounded front and wraparound couches. This is a family fun boat unlike any other.

**UNDER-SEAT STORAGE**  
(2200 GLX 08)

You'll find plenty of room for all your life jackets and gear in the dry under-seat storage compartments.

**SINK AND FAUCET**

(2200 GLX 08)

A pressurized fresh water system with sink and faucet is conveniently located on the console.

**DRIVER'S CONSOLE**

(2200 GLX 08)

If you're lucky enough to be in the driver's seat, you'll enjoy the comfortable helm chair and impressive dash with domed gauges and sporty steering wheel.

For Space Deck standards & options, please see pages 36-37.

## TOPS, CURTAINS AND COVERS

To help you make the most of your time on the water, we offer a wide range of tops, curtains and covers. For pontoons, the bimini and double tops provide maximum protection from the sun, while the full camper enclosure features windows you can open and close. The playpen cover keeps leaves, twigs and other debris out of the boat. Some of our fiberglass runabouts come standard with a bimini top, and many models offer optional side and aft curtains, as well as bow and mooring covers.

## Wear your loyalty on your sleeve.

No wardrobe is complete without exclusive shirts, jackets and hats featuring the Sylvan logo. For your convenience, you may order online by visiting our website at [www.sylvanmarine.com](http://www.sylvanmarine.com). It's all part of celebrating the relaxed, casual lifestyle enjoyed by enthusiasts of the greatest pleasure boats on the water — pontoons, runabouts and deck boats by Sylvan.

### Value Package

(Available on Mirage and 818 Castaway only)

Includes: windscreen, docking light in module, cooler, boarding ladder and deck cleats

810 SWIM RAFT  
ALSO AVAILABLE IN 808 SWIM RAFT

### JBL® RADIO

Sylvan is pleased to offer legendary JBL® audio components engineered for the marine environment. The speakers are UV and water resistant with rubber surrounds, while the receivers include such features as electronic tuning, scan/seek functions, station presets, rolled silicone rubber buttons, and a water resistant, flip-down face.

**Molded, padded and above all, pinch-proof.**

Select models feature our custom-molded consoles with deluxe gauges, and all of our consoles are ergonomically organized, with easy-to-read dials and easy-to-reach switches and circuit breakers. Many of our fiberglass models also feature tilt steering, along with either hydraulic or anti-feedback steering. And on dual console models, you'll find beautiful walnut grain and such amenities as a lockable glove box and molded cup holders.

Our advanced seat design features pinch-proof hinges, contoured bottoms and backs and resilient foam padding. And our state-of-the-art wood-free construction ensures that the seats won't warp or rot.
