Sylvan also makes a complete line of Fiberglass and Aluminum Runabouts, Space Ships, Fishing boats and Canoes.

1. Nose cones on all Sylvan boats have upswept design and are capped with a solid aluminum extrusion for added strength. Spray onto the deck is eliminated by deflectors on both nose cones. (Supreme line only)
2. Heavy gauge aluminum pontoons are etched for lasting beauty. Bulkhead at every weld seam. 3/4" aluminum keel bar runs full length of each pontoon. Heavy cross support channels every two feet.
3. Deck and canopy running lights are pre-wired. Top lights have quick disconnect plugs mounted on canopy posts. (Supreme line only)
4. Entire deck edge is trimmed in aluminum extrusion for protection and beauty.
5. Swim deck railing provides added safety factor, and allows entry or exit from either side. Made of anodized aluminum. (Supreme line only)
6. Deck railings of 1/4" square aluminum are raised 1/2" off deck for drainage. Fully anodized; no oxide rub-off. Advantage 1" etched acid.
7. All Sylvan Supremes have four gates (except 28/10, and 16 Advantage) that open in for safety. Each gate has a vinyl coated latch and welded hinges for extra strength.
8. Deck is exterior plywood treated with Wood-life preservative. Marine pile carpeting covers entire deck, vinyl on Advantage.
9. Fence and gate panels of aluminum with color-fast, baked on enamel. Panels are locked-in by Sylvan designed extrusion. Color availability: Orange, Yellow, Navy Blue, Avocado, Moonlight Brown, Sunset Red
10. Double post canopy uprights permit easy raising or lowering of canopy. Anodized aluminum. Quick disconnect plugs for canopy light wiring. (Supreme line only)
11. Upholstered, water resistant pilot's chair. Steering stand upholstered to match pilot's chair. Teak and chrome wheel. Built-in lockable compartment. (Supreme line only)
12. All Sylvan canopies are made of weather-resistant fabric. Canopies are color coordinated with deck covering, fencing, steering stand and pilot's chair. Curved design for water run-off. Four double post uprights provide solid support.
13. Gates on Sylvan pontoon boats open inward only. And all models (except 28 I/O) have rear gates for easy access to motor, fuel tank and ski ropes.
14. Fixed transom is made of heavy anodized aluminum with marine plywood motor mount. Maximum h.p. for long shaft motors is 85. Adjustable transom available at no extra cost for short or long shaft up to max - 35 h.p.

At no extra cost boat can be ordered with steering on, left center or right center, or right side. Due to continuous research policy, specifications and prices are subject to change without notice.
