22' & 18' OFFSHORES

22' Offshore I/O

The best of two worlds in two boats – the 22' and 18' Offshores. These great family boats double as fishing boats to please everyone. The lightweight aluminum construction lets you take a group of people comfortably without using a lot of gas. And, if you want the trip to last overnight, the Offshores are ready with completely upholstered cockpits and camper enclosures. Check out these elegant models and see why the 22' and 18' Offshores are such outstanding values.

22' SKIPPER

For the boater who demands room, style and economy from a boat. The Sylvan 22' Skipper is a light-weight aluminum boat that's big enough to handle people and their water gear and still be easy on gasoline. Easy to maneuver and great looking, too. The 22' Skipper - the energy-conscious boat with class.

Specifications:

22' Skipper I/O

Center length 21'7" • Beam 91"
Transom width 84" • Max. H.P. 185
Approx. wt. 1250 without engine

Level flotation on all outboards.

18' Skipper O.B.

18' Skipper 1/O

18' SPORTSTER

Looking for a virtually maintenance-free boat that still has style? The Sylvan 18' Sportster is the answer for you. Everyone in the family will enjoy this lightweight aluminum boat that can handle most any water sport without guzzling gas. Plush soft-cushioned seats and durable marine carpet are standard in this popular model. Because the Sportster is made of lightweight aluminum, a much smaller engine is needed to equal the performance of most other fiberglass boats of the same size.

Specifications:

18' Sportster O.B. I/O

Center length 18'5½" • Beam 84" • Transom width 75" • Max. H.P. 140 • Approx. wt. 1020 – O.B., 1040 – I/O • Alum. thickness .085 • Capacity 1810 – O.B., 1555 – I/O • Interior depth 30".

Optional Equipment:

Mooring cover • Side and aft curtains • Bow cover.

Level flotation on all outboards.

18' Sportster O.B.

18' Sportster I/O

16' SPORTSTER

The perfect boat for the active family. The lightweight aluminum 16' Sportster from Sylvan is a contemporary boat with a down-to-earth price. Beautiful but durable seats, a walk-thru windshield and in-floor storage are just a few of the standard features you get with this model. And a 60 or 70 H.P. motor is all it takes to do all the skiing, fishing or just cruising you could ever want. Add to this Sylvan quality and you've got a tough boat that's based on old-fashioned value.

Specifications: 16' Sportster

Center length 16'2" • Beam 76" • Transom width 70" • Max. H.P. 90 • Approx. wt. 690 • Alum. thickness .080 • Capacity 1500 • Interior depth 28".
