The
SPIRITED

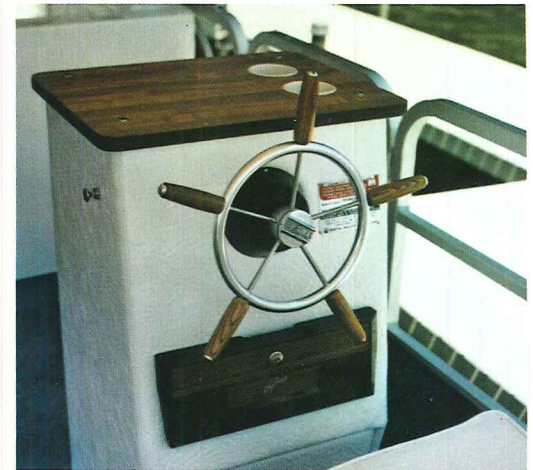

**A Very
Special
Boat for
a Very
Special
Year...
Sylvan
Spirited '76**

This is a very special boat...so special that only 200 of them will be built, ever. The Spirited '76 has many standard features; distinctive canopy; 8-piece Lounge-Around furniture set in all-white wet-look upholstery; matching captain's chair and steering stand; natural redwood Stow-A-Table; and marine pile carpeting. Join Sylvan's exclusive "200 Club"... you're a member with purchase of "The Spirited '76."

SPECIFICATIONS

Sylvan Spirited '76	ALUMINUM ONLY
Length of pontoons	24'
Diameter of pontoons	19"
Length of deck	20'
Beam	8'
Swim deck area	4' x 8'
Length of enclosed area	16'

Net weight	1475 lbs.
Capacity: motor, passengers, etc.	1800 lbs.
Maximum h.p. recommended	85

Table and furniture are standard equipment. Table painted white for photograph only; not standard.

The Sylvan Supreme 28 footers...

824 HT All the sport of any Sylvan Fun Float, plus an added dimension ... a sturdy sun deck. Enjoy the sun, and the view, or a quick swan dive from your own platform. On the main deck is shady comfort on Lounge-Around furniture, if you choose this Sylvan option. The 824 Hard Top is an ideal Fun Float for growing families... from water skiing to cruising, swimming parties to picnics this one does it all.

I/O 824 DLX Here's the Fun Float with its own 120 hp in-board/outboard engine, built-in fuel tank and instrumentation. Standardly equipped with eight-piece Lounge-Around furniture set, captain's chair, steering stand, Stow-A-Table, and marine pile carpeting.

824 Same basic construction as Sylvan's two other 28' models... but with a convertible soft top canopy. Operates well on motors from 15 to 85 hp... depends on how you want to use it. And as with all Sylvan Fun Floats you have a choice of color: Aqua Blue; Orange; Yellow; Navy Blue or Avocado.

FAMILY
BOAT

***A World of
Difference***

Owners of Sylvan Fun Floats live in a world of difference. Different because they can do so many things with their boats...they have that option of versatility unknown to owners of limited use boats. From picnics on the water to skiing...scuba diving to moonlight cruises...fishing to swimming parties; name the fun and you can enjoy it with your Sylvan Fun Float.

Regardless of the Sylvan model you choose, be assured of excellence...in basic construction, styling and color coordination. All a result of Sylvan's 25 years experience in building highest quality products. The results for you... many enjoyable seasons on the water with your Sylvan Fun Float. And that can make a World of Difference.
