

2002  
SYLVAN PONTOON & FIBERGLASS

THROTTLE UP

THIS SUMMER, PICK UP THE PACE.

Whatever speed you desire – from cruising to trolling – with a new Sylvan pleasure boat, fun shifts into high gear. That's because Sylvan pontoons, runabouts and deck boats are designed to give you and your family the versatility to enjoy all your favorite water activities. With plenty of power for skiing and towing, spacious seating arrangements, roomy storage and terrific fishing packages for the whole gang to get in on the fun.

At Sylvan Marine, we have over 45 years of experience building high-quality, feature-packed boats, and we back them with some of the best warranties in the industry. So this year, visit a Sylvan dealer in your area. It's the fastest way to get in on the fun.

8008

## MANDALAY

**THE HEART OF A SPEED BOAT.  
THE SOUL OF A CRUISE SHIP.**

Meet the all-new Mandalay – and prepare to be transported to a whole new world of possibilities. With up to 135 hp and room for 18, the water's all yours. And you can stay out there all day with the Mandalay's impressive amenities, including L-group seating, wrap-around front couch, rear entry with changing room (except for I/O models) and a 24 gallon fuel tank. Add the excellent options available on some models of a galley with stove, Porta-Potti®, baby-changing station and two pull-out lounges, and you'll be cruising in luxury.

The Mandalay also offers many top-of-the-line construction features, like anodized railings and deck trim, aluminum bottom skin, through-bolted deck cleats and Infiniti® carpet with 5-year warranty. In addition, the 25" diameter tubes, 3/4" plywood deck and all-aluminum transom carry lifetime warranties. And, if you prefer, you may opt for the tri-toon package, including a 25" engine shaft, providing a maximum of 150 hp.

So this year, leave the dock in luxury and style in a pontoon that puts its heart and soul into fun on the water. The 2002 Mandalay.

## CASTAWAY &amp; MIRAGE FISH

**REEL 'EM IN, THEN KICK BACK AND CRUISE.**

Let's face it, when it comes to letting everyone in on the fun, there's nothing like a pontoon. That's why, for families who like to fish, we offer a full line-up of pontoons with first-rate fishing amenities.

Take, for instance, our new Castaway series. It features up to 24 feet of fishable space, with built-in livewells, lockable rod boxes on the 8524 & 8522, 4 bass seats (5 on the 818), and, on the 8522, a changing room with courtesy light, mirror and washdown.

Our popular Mirage series features roomy L-group seating, 2 front couches, high-back helm chair with slider and 2 bass seats. In addition, you'll find a sundeck, table with cup holders, built-in livewell and 24 gallon fuel tank. The Castaway and Mirage carry lifetime warranties on the tubes, deck and all-aluminum transom, as well as a 5-year warranty on the carpeting. And for added comfort and safety there are Posi-Lock® gate latches, navigational lights, and anodized railings and deck trim.

Fishing. Cruising. Towing. If your family loves every activity, these are the boats for you.

**MERCURY**  
The Water Calls

## FEATURES

### CONSOLE

Many of our models feature custom-molded consoles with luxury gauges. On all our boats the gauges are easy to read, with the switches and circuit breakers right at your fingertips. Tilt steering is widely available, along with either hydraulic or anti-feedback steering. On dual console models, you'll also find a lockable glovebox, molded cup holders and other amenities.

### SEATS

To ensure the highest quality, all our seats are built here by us. Resilient foam padding provides long-lasting comfort and support, and our handsome, high-grade marine vinyl is both durable and easy to clean. And for your safety, we install every seat with pinch-proof hinges.

### APPAREL

Your boating wardrobe will be complete with exclusive Sylvan shirts, jackets and hats. Simply order online by visiting our web site - [www.sylvanmarine.com](http://www.sylvanmarine.com)

Allow us to show  
what

**A Gates**

Post-Lock® latches. For everyone's safety, our gates feature Post-Lock® latches.

**B Deck**

Marinotech PTP 7-ply pressure-treated plywood. Lifetime, transferable warranty. Every pontoon floor is built with 3/4" pressure-treated plywood that won't warp or rot. The floor is securely screwed and through-bolted to the hat channels for a powerful hold.

**C Carpet**

Plush pile 20 oz. carpet. 100% U.V. stabilized polypropylene. Five-year warranty. Your bare feet will appreciate our plush, seamless marine carpet. For extra durability, we bond it to the deck with marine adhesive and 200 lbs. of rolling weight, and stainless steel staples fasten it to the perimeter of the deck. Three colors and styles are available.

**D Spacers**

3/8" from deck. Increases airflow. Prevents dirt, mold and mildew from collecting. Since everyone's happier in a drier boat, we've put spacers between the fence bottom and the deck to allow water to drain off easily and cut carpet drying time in half.

**E Fencing**

Aluminum panels (.030) are grooved and foam-backed. Anodized 1 1/4" railing. Baked-on paint. The little things make a world of difference. Like foam-backed panels to prevent rattling. Supplemental cross members for added strength. And anodized railings to prevent unsightly black residue and keep that show-room shine.

**F Tube Construction**

Heavy .080 gauge. Welded chambers. Air filled. Air tested. Lifetime warranty. Since safety starts with the tubes, we advise you to take a closer look. Ours are heavy gauge (.080), with welded chambers to keep you afloat even if a section is punctured and rear anti-electrolysis drain plugs for easy draining. In addition, our air-filled tubes make the pontoon lighter, giving you more power with better fuel economy.

**G Nose Cone**

Anti-puncture skid bar. Two 13" nose cone fins. Extruded aluminum cap adds strength and prevents sharp edges. You get a smoother, drier ride as the sharp edge of our nose cone knives cleanly through the water while the fins deflect water away from the boat. The anti-puncture skid bar runs the entire length of the tube for protection and added steering and tracking control.

**"V" Transom**

All-aluminum. Lifetime warranty. When it comes to the transom, performance starts with a "V". This special design reduces spray and prevents cavitations in turns, while fins provide lift for better water flow and faster speeds.

**Full-Length Keel/Skid Bar**

Full-length 1/2" aluminum keel. One great idea - four reasons why. Our full-length 1/2" aluminum keel protects the tubes while trailering, deflects debris, enhances steering & control and helps prevent drifting.

**Aluminum Bottom Skin**

Our aluminum bottom skin allows your pontoon to glide smoothly across the water, helping your engine operate more efficiently and saving you fuel, even at higher speeds.

**Lounge Furniture**

Rotocast bases. Thick, 33 oz. vinyl treated with Stain Resistant Topcoat (SRT). Biocide treated foam. When it comes to furniture, you want comfort, durability and of course - good looks. And in a Sylvan, you get it all. Our reliable rotocast bases stand up to years of use and provide dry storage areas. Thick foam padding and high grade marine vinyl give you long lasting comfort that will stay bright and attractive season after season.

**Cross Channels**

8 ft. (or 8.5 ft.) x 6" x 1/8" aluminum hat channels. Double through-bolted onto deck risers.

Our pontoons get their strong foundation from aluminum hat-shaped cross channels which are secured to the deck risers every 24" for exceptional deck support and structural integrity. These actually double the amount of Z-channels used in other pontoons.

**NOTE:** Because weight distribution is extremely important when operating a pontoon boat, passenger weight should be distributed evenly for best overall performance. Also keep in mind that a four-stroke engine is much heavier than a two-stroke engine, significantly increasing the weight load in the stern. Check with dealer for performance evaluation and weight differential for four-stroke and two-stroke engines.

you  
we're made of.

#### SYLVAN WARRANTY

Sylvan warrants each new fiberglass hull for a period of five (5) years, from the date of purchase by the original purchaser (based on years of use under normal recommended operating conditions) as described in the warranty folder. A copy of the Sylvan Limited Warranty is attached to each new Sylvan boat, or may be obtained from any dealer or the Sylvan factory.

#### Stringer System

Our pre-assembled, interlocking stringer system, built with pressure-treated wood, provides the backbone of the rugged hull. It is thoroughly encapsulated in fiberglass and laminated to the hull with superior 2415 Fab-Mat for strength and reinforcement.

#### 7-Layer Construction

Every Sylvan fiberglass boat features a 7-layer construction process. It all begins with our superior hand polished and waxed molds and proceeds through every detailed step to the final hand rolling to ensure the elimination of air pockets.

#### Marine Gel Coat

Our glass boats are finished with an ISO NPG Marine Gel Coat that produces a high gloss look that lasts for years and resists chipping, cracking and fading.

## COVERS & ENGINES

### TOPS, CURTAINS AND COVERS

To protect your pontoon and maximize your fun, we have covers for every situation. The Playpen cover snaps easily to the top fence rail, keeping leaves, twigs and other debris out of the boat. Get the right amount of shade with our Bimini Top and Double Top. And, you can even turn your pontoon into your own personal campground with our Camper Top, featuring windows you can open and close for privacy and protection from the elements. Our fiberglass runabouts come standard with a color-coordinated Convertible Top, and many models offer optional side and aft curtains, as well as bow and mooring covers.

## MIRAGE &amp; FREEDOM

2002

**FINALLY. A FAMILY VEHICLE EVEN  
YOUR TEENAGERS WILL BE SEEN IN.**

The Mirage and Freedom pontoons – great family values, with plenty of sleek Sylvan styling. These boats feature the same top-of-the-line construction as our other lines, with lifetime warranties on tubes, deck, and transom. In addition, you'll appreciate the custom molded consoles, 30" gates, Posi-Lock® gate latches and rotocast furniture bases.

The Mirage and Freedom pontoons are designed for maximum comfort and convenience, with roomy seating arrangements, including helm chair with slider, couches, table with cup holders and 8" bimini top. The fishing models include bass seats and livewells, and the Freedom models have the added luxury of a sundeck. And this year, all Mirage pontoons have an optional Value Package, including windscreen, docking lights, boarding ladder and deck cleats.

The value-packed 2002 Mirage and Freedom. The kids'll think you're cool – but you'll just know you're smart.

SYLVAN

V210, V196, V186

2002

**THE RUNABOUT.  
100% ALL-AMERICAN FUN.**

At Sylvan Marine, we've designed a full line of fiberglass runabouts for you and your family to enjoy. For cruising, swimming, skiing, sunning and even fishing - we've got a wide variety of OB and I/O models to choose from.

All our fiberglass boats feature our exclusive 7-layer construction process, ISO NPG marine gel coat and carpeted floor. Standard amenities include stainless steel cleats, 37 gallon fuel tank, ski ring, boarding ladder, color-coordinated top, navigational lights, built-in coolers and plenty of in-floor and bow storage space. In addition, you'll love our sporty consoles with easy-to-read instrumentation, cozy seating (including sundecks on most models), and the excellent option of a CD player with 4 speakers.

The 2002 fiberglass runabouts. No matter which one you choose, you're getting our idea of all-time classic summer fun.

## SPACE SHIP

2002

ROOMY LUXURY WITH  
PLENTY OF SET-UP-AND-GO.

What do you get when you combine the roomy luxury of a pontoon with the gusto of a runabout? It's simple: a Space Ship deck boat. The entire line features impressive comfort and amenities, with the versatility to take on long days filled with your favorite activities on the water.

The 2310 boasts a power sundeck, double helm seat with slider, Lam-Core lids and doors, 60 gallon fuel tank, rear entry and Porta-Potti®. The all-new 2290 has a built-in aerated livewell, 2 bass seats, 55 gallon fuel tank and Porta-Potti®. The 2080 sports the styling of a runabout, with power sundeck, 2 captain's chairs, pop-up cleats and built-in coolers. The 2030 comes in both OB and I/O models, with rear entry, Porta-Potti®, L-group seating, wrap-around couches, 55 gallon fuel tank and sundeck. And the 1500 models feature rear jump seats, stainless steel bow and stern rails, stern platform, 31 gallon fuel tank and 4 through-bolted cleats. Naturally, all Space Ship models are built with our 7-layer fiberglass construction and are finished with our durable ISO NPG marine gel coat.

The 2002 Space Ship. Because the way we see it, horsepower should come in many shapes and sizes.

## TEN GREAT REASONS THE DECISION IS EASY.

### QUALITY

At Sylvan, we offer many different models to meet many different needs. But at the heart of each and every one is a well-constructed, thoughtfully designed boat that's built to last. After all, we wouldn't put our name on anything less.

### SERVICE

We believe that customer service begins right here at the factory — with our commitment to our dealer network and our promise to stand behind every boat we build.

### HISTORY

When you get a Sylvan, you're getting the benefit of decades of experience. That's many years of research and development. And many years of relationships with the very best vendors and suppliers in the industry.

### FINANCIAL STABILITY

You don't stay in business as long as we have unless you've earned the financial confidence of a vast number of dealers, suppliers, employees and customers. Just one more reason to feel good about becoming part of the Sylvan family.

### NATIONWIDE SALES AND SUPPORT

Our nationwide dealer network offers expert sales and factory-authorized service to water-loving families across the country. Visit our web site at [www.sylvanmarine.com](http://www.sylvanmarine.com) to locate the dealer nearest you.

### CONSTRUCTION

At Sylvan, we're proud to offer the best construction in the industry. You'll find the same high level of quality materials and processes across our entire line of boats. From the hat-shaped ribs and raked-back bow design of our aluminum V-hulls to our labor-intensive 7-layer fiberglass construction to the heavy gauge, welded chambers of our pontoon tubes. You can be sure your Sylvan is solid from stem to stern.

### BROAD PRODUCT LINE

At Sylvan, our family loves boating as much as yours does. And maybe that's why we continue to offer so many different models and product lines. Fishing, cruising, skiing — simply pick your family's favorite activities and chances are, we've got a package that's perfect for you.

### SAFETY

Every Sylvan boat is built to exacting standards set by the U.S. Coast Guard. From flotation and fuel systems to wiring looms, boat beams, depth and freeboard — Sylvan boats are among the safest on the water.

### RESALE VALUE

With thousands of Sylvan boats on the water today, Sylvan is one of the most popular and recognized names in the industry. For you, this popularity translates into higher resale values when it comes time to upgrade.

### INNOVATIVE ENGINEERING

When it comes to engineering, the little things add up to a big difference. Ideas like welded tubes, aluminum hat channels, full-length keels, anodized railings and 7-layer fiberglass construction, to name just a few. Simply put, our research and development team keeps Sylvan well ahead of the curve.

AT SYLVAN MARINE, FUN SLIPS INTO HIGH GEAR.

Simply drop the throttle of a new Sylvan pleasure boat, and you'll see what we mean. Whether you're cruising on the luxury of an all-new Mandalay pontoon, whipping across the lake behind a V210 Super Sport or fishing off the side of an all-new Castaway, you'll have more versatility than ever before.

We offer a wide selection of pontoons, deck boats and runabouts, with some of the most exciting features in the industry and terrific values to fit every budget. Plus, with over 50 years in the business, we've proven time after time that our high quality construction and safety features make Sylvan boats the kind your whole family can trust. So this year, get to know your local Sylvan dealer. And find out how to rev up your family's summer fun.

The specifications of any Sylvan boat are subject to change without notice.
