PLEASURE BOATS
POWERFUL FREEDOM

There's an experience on the water like no other.

One where the right boat is the perfect complement to your lifestyle. And one where your friends and family come together to share the fun and excitement of all your favorite activities. Yes, there's pure exhilaration built into every Sylvan pleasure boat. Like the thrill of dropping the throttle on a sporty runabout. But also, there's peace of mind — from having one of the best built, best backed boats in the industry. So this year, experience it all. With one of the most trusted names in boating for nearly 50 years. Sylvan Marine.

P L E A S U R E B O A T S
POWERFUL FREEDOM

SYLVAN. THE OBVIOUS CHOICE.

Here are ten reasons why:

QUALITY

At Sylvan, we offer many different models to meet many different needs. But at the heart of each and every one is a well-constructed, thoughtfully designed boat that's built to last. After all, we wouldn't put our name on anything less.

SERVICE

We believe that customer service begins right here at the factory — with our commitment to our dealer network and our promise to stand behind every boat we build.

HISTORY

When you get a Sylvan, you're getting the benefit of decades of experience. That's many years of research and development. And many years of relationships with the very best vendors and suppliers in the industry.

FINANCIAL STABILITY

You don't stay in business as long as we have unless you've earned the financial confidence of a vast number of dealers, suppliers, employees and customers. Just one more reason to feel good about becoming part of the Sylvan family.

NATIONWIDE SALES AND SUPPORT

Our nationwide dealer network offers expert sales and factory-authorized service to water-loving families across the country. Visit our web site at www.sylvanmarine.com to locate the dealer nearest you.

CONSTRUCTION

At Sylvan, we're proud to offer the best construction in the industry. You'll find the same high level of quality materials and processes across our entire line of boats. From the hat-shaped ribs and raked-back bow design of our aluminum V-hulls to our labor-intensive 7-layer fiberglass construction to the heavy gauge, welded chambers of our pontoon tubes. You can be sure your Sylvan is solid from stem to stern.

BROAD PRODUCT LINE

At Sylvan, our family loves boating as much as yours does. And maybe that's why we continue to offer so many different models and product lines. Fishing, cruising, skiing — simply pick your family's favorite activities and chances are, we've got a package that's perfect for you.

SAFETY

Every Sylvan boat is built to exacting standards set by the U.S. Coast Guard. From flotation and fuel systems to wiring looms, boat beams, depth and freeboard — Sylvan boats are among the safest on the water.

RESALE VALUE

With thousands of Sylvan boats on the water today, Sylvan is one of the most popular and recognized names in the industry. For you, this popularity translates into higher resale values when it comes time to upgrade.

INNOVATIVE ENGINEERING

When it comes to engineering, the little things add up to a big difference. Ideas like one-piece bottoms, more lateral ribs, double riveted seams, 5 bottom keels, and a unique sealing tape, just to name a few. Simply put, our research and development team keeps Sylvan well ahead of the curve.

FISH:
CASTAWAY & MIRAGE FISH 04

Never underestimate the value of versatility. The Castaway and Mirage Fish pontoons have everything you need to enjoy both a pre-dawn fishing trip and an evening cruise — with plenty of power to pull skiers and tubers in between. You'll appreciate such features as changing rooms, coolers, livewells and lockable rod storage.

SPECS CASTAWAY	LENGTH	BEAM	TUBE DIAMETER	TUBE GAUGE	MAX WEIGHT LBS	MAXIMUM PERSONS	MAXIMUM CAP LBS	MAXIMUM HP	FUEL CAP. GAL.	ROUNN TOP SIZE

B20 FREEDOM CRUISE

B20 FREEDOM FISH

CROSS CHANNELS

There's no substitute for a strong foundation — and that's what you get with our 8" (or 8.5") x 6" x 1/8" aluminum hat channels. They are double through-bolted onto deck risers every 24" for exceptional support and structural integrity, and they actually double the amount of Z-channels used in other pontoons.

CONSTRUCTION FEATURES

A GATES

For maximum safety, you'll find pinch-proof protectors and Fosi-Lock® latches on the gates of all our pontoons, as well as heavy-duty gate stops.

B DECK

We have so much confidence in our floors that they carry a lifetime, transferable warranty. Every pontoon features 3/4" Marinetech PTP 7-ply pressure-treated plywood that won't warp or rot. And the floor is securely through-bolted and screwed to the hat channels for a powerful hold.

C CARPET

Our seamless plush pile carpet (up to 32 oz.) is made of 100% U.V. stabilized polypropylene and has a five-year warranty. For extra durability, we bond it to the deck with marine adhesive and 200 lbs. of rolling weight, while stainless steel staples secure it to the perimeter of the deck.

D SPACERS

Our pontoons feature 3/8" spacers between the fence bottom and the deck, allowing water to drain easily and cutting carpet drying time in half.

E FENCING

Your pontoon's fencing is as attractive as it is durable, thanks to the .030 grooved aluminum panels which are foam-backed to prevent rattling and feature supplemental cross members for added strength. Anodized railings serve to prevent the buildup of unsightly black residue.

F TUBE CONSTRUCTION

Because so much is riding on the tubes, we back ours with a lifetime warranty. Unlike other manufacturers', our tubes are heavy gauge (.080) with welded chambers to keep the pontoon afloat even if a section becomes punctured, and they feature rear anti-electrolysis drain plugs for easy draining. In addition, our air-filled tubes make the pontoon lighter, giving you more power and better fuel economy.

G NOSE CONE

Our nose cone knives cleanly through the water, with two 13" fins deflecting water away from the boat, giving you a smoother, drier ride. The anti-puncture skid bar runs the entire length of the tube for added protection and steering control. And an extruded aluminum cap adds strength to the cone and protects you from sharp edges.

"V" TRANSOM

Our all-aluminum "V" transom carries a lifetime warranty and is designed to reduce spray and prevent cavitations in turns. Fins work to provide the optimum lift for better water flow and faster speeds.

FULL-LENGTH KEEL/SKID BAR

Our tubes feature a 1/2" aluminum keel running the full length of the tube. This provides maximum protection for the tubes while trailering and serves to deflect debris, enhance steering, and help prevent drifting.

ALUMINUM BOTTOM SKIN

Select pontoons feature our aluminum bottom skin, for a smoother glide that helps your engine operate more efficiently and saves you fuel, even at higher speeds.

LOUNGE FURNITURE

The comfort and durability of our lounge furniture starts with reliable rotocast bases which provide dry underseat storage areas. Our thick foam padding is treated with biocide, and our 33 oz. high-grade marine vinyl features a stain-resistant topcoat that protects the beauty of the furniture for years to come.

NOTE: Because weight distribution is extremely important when operating a pontoon boat, passenger weight should be distributed evenly for best overall performance. Also keep in mind that a four-stroke engine is much heavier than a two-stroke engine, significantly increasing the weight load in the stern. Check with dealer for performance evaluation and weight differential for four-stroke and two-stroke engines.

TOPS, CURTAINS AND COVERS

To help you make the most of your time on the water, we offer a wide range of tops, curtains and covers. For pontoons, the bimini and double tops provide maximum versatility, while the camper top features windows you can open and close, and the playpen cover keeps leaves, twigs and other debris out of the boat. Our fiberglass runabouts come standard with a color-coordinated convertible top, and many models offer optional side and aft curtains, as well as bow and mooring covers.

SYLVAN WARRANTY

Sylvan warrants each new fiberglass hull for a period of five (5) years, from the date of purchase by the original purchaser (based on years of use under normal recommended operating conditions) as described in the warranty folder. A copy of the Sylvan Limited Warranty is attached to each new Sylvan boat, or may be obtained from any dealer or the Sylvan factory.

A STRINGER SYSTEM

The strength of the hull comes from our pre-assembled, interlocking stringer system, built with pressure-treated wood. It is thoroughly encapsulated in fiberglass and laminated to the hull with superior 2415 Fab-Mat for added reinforcement.

B 7-LAYER CONSTRUCTION

All our fiberglass boats feature our exclusive 7-layer construction process. This begins with our superior hand-polished and waxed molds and continues through every detailed step to the final hand rolling, ensuring the elimination of unwanted air pockets.

C MARINE GEL COAT

For a high-gloss look that lasts for years, our fiberglass boats are finished with an ISO NPG marine gel coat that resists chipping, cracking and fading.

CONSTRUCTION & FEATURES

04

At Sylvan Marine, we're committed to building high-quality, feature-packed boats for water-loving families across the country. Your Sylvan pleasure boat is the result of the best ideas in design and engineering. Peel back the layers and you'll find that every detail is constructed to give you the ultimate in safety, comfort and control.

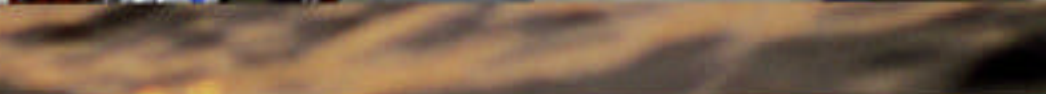

SEATS >

Comfort reigns throughout your boat, thanks to our advanced seats with pinch-proof hinges, contoured bottoms and backs, and resilient foam padding. Our roto-molded, wood-free construction ensures that the seats won't warp or rot.

< CONSOLE

Select models feature our custom-molded consoles with deluxe gauges. Many boats also feature tilt steering, along with either hydraulic or anti-feedback steering. All of our consoles are ergonomically organized, with easy-to-read dials and easy-to-reach switches and circuit breakers. And, on dual console models, you'll also find beautiful walnut grain and such amenities as a lockable glovebox and molded cup holders.

MERCURY ENGINES

Sylvan is proud to offer a full line of reliable Mercury and MerCruiser® power options.

MERCURY
"1 On The Water."

APPAREL >

To complete the package, we offer an exclusive line of Sylvan shirts, jackets and hats. For your convenience, you may order online by visiting our website at www.sylvanmarine.com.

JBL® RADIO

Sylvan is pleased to offer legendary JBL® audio components engineered for the marine environment. The speakers are UV and water resistant with rubber surrounds, while the receivers include such features as electronic tuning, scan/seek functions, station presets, rolled silicone rubber buttons, and a water resistant, flip-down face.

SPACE DECK & SWIM RAFT 04

You're looking at the best of both worlds — the 2004 Space Deck. With all the roomy space and impressive value you'd expect from a pontoon, in an all-fiberglass deck boat. No matter which model you choose, you'll find high-quality details like rotocast furniture bases and through-bolted cleats. And the 2100 GLX goes all out with exciting features including wraparound couches, snap-in carpet, CD player and a 55 gallon fuel tank.

SPECS SPACE DECK

	LENGTH	BEAM	TRANSOM HEIGHT	DEAD RISE DEGREE	DRY WEIGHT LBS	MAXIMUM PERSONS	MAXIMUM CAP. LBS	MAXIMUM H.P.	FUEL CAP. GAL
2100 GLX	22'3"	96"	14"	20	1,940	12	2,500	200	55
1900 CR	18'8"	96"	14"	20	1,720	10	1,800	180	30
1900 FISH	18'8"	96"	14"	20	1,720	10	1,800	180	30

All boats using O/Bs greater than 125 H.P. should have dual or hydraulic steering.
