## T160 O/B

• Interior Side Depth: 25" • Wt. Dry: 900 lbs. • Wt. Capacity: 1525 lbs.  
• Maximum h.p. 115 • 12 Gallon Tank

## T160 I/O

• Interior Side Depth: 26½" • Wt. Dry: 1600 lbs. • Wt. Capacity: 1035 lbs. • Engines: 120, 140, 165, 188, 470 • 18 Gallon Tank

# T180 O/B T180 I/O

One look at the T180 18' tells you this is no ordinary runabout. Step aboard, start the engine and open it up. Your thoughts are confirmed. The 18' T180 is something special. It's an exciting combination of performance, style and luxury. The Tri-V hull tracks straight and corners beautifully.

Center Length 18'3" • Beam 81½" • Top & Boot • Glove Box  
• Std. Color Burgundy & White • Opt. Brown & White, Orange & White

## T180 O/B

• Interior Side: 25" • Wt. Dry: 1200 lbs. • Wt. Capacity: 1950 lbs.  
• Maximum h.p. 150 • 12 Gallon Tank

## T180 I/O

• Interior Side: 26½" • Wt. Dry: 2145 lbs. • Wt. Capacity: 1350 lbs.  
• Engines: 120, 140, 165, 188, 470 • 18 Gallon Tank

# V170 O/B V170 I/O

Designed to give you top performance without sacrificing comfort, the V170 17' is destined to be a real favorite. The V hull gives you a smooth ride in a variety of water conditions. Its easy-planning design, responsiveness and stability make it ideal for water skiing. The interior appointments are second to none with durable marine carpeting and top-grade vinyl upholstery throughout.

Center Length 17'3" • Beam 82" • Interior Side Depth 25"  
• Top & Boot • Glove Box • Std. Color Orange & White  
• Opt. Burgundy & White, Brown & White

## V170 O/B

• Wt. Dry: 1100 lbs. • Wt. Capacity: 1915 lbs. • Maximum h.p. 125  
• 12 Gallon Tank

## V170 I/O

• Wt. Dry: 1800 lbs. • Wt. Capacity: 1275 lbs. • Engines: 120, 140  
• 12 Gallon Tank

# 16' Sportster

For the family who wants comfort and performance in their boat without going all-out on horsepower and price, the Sportster 16' is an attractive answer. The V hull and performance engineering assures precise handling, and impressive speed from mid-range outboards. The interior is deluxe throughout with tough marine carpet and top quality vinyl upholstery.

- Center Length 16' ½"
- Beam 76½"
- Overall Height 52"
- Transom H 21", W 73"
- Interior Side Depth 25"
- Rec. Cap. lbs. 1500
- Rec. Cap. persons 7
- H.P. 85
- Weight Systems Dry 675 lbs.
- Plus carpet
- (exterior polar white with liberty blue deck)

# 18' Sportster O/B-I/O

The rugged Sportster 18' packs a lot of family fun in a thrifty package. The V hull assures stability and comfort at any speed. Skiers like the horsepower rating to 135 outboard and 140 on the stern drive. And the whole family enjoys the sheer comfort of padded back rests and deep foam cushions throughout plus the easy maintenance of poly carpeting. The Sportster features a split bow rail, walk-thru safety glass windshield, and padded side stowage.

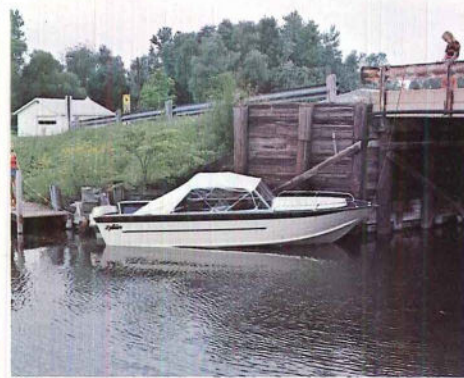

Beam 83" • Overall Height 56 $\frac{1}{8}$ " • Interior Side Depth 27 $\frac{1}{2}$ " • Rec. Cap. persons 8 • Fuel Capacity 18 Gal. • Standard Top & Boot

## O/B

• Center Length: 18'4" • Transom: H 21" W 75" • Rec. Cap. lbs. 1810  
• H.P. 140 • Weight Systems Dry 844 lbs.

## I/O

• Center Length: 18'5 $\frac{3}{4}$ " • Transom: H 38 $\frac{1}{2}$ " W 78 $\frac{1}{8}$ " • Rec. Cap. lbs. 1555  
• Engines: 120, 140 • Weight Systems Dry: 1551 lbs.

# 18' Skipper O/B-I/O

The durable Skipper with the 140 stern drive is the ideal boat for those all day cruises. There's plenty of room on board for all your picnic needs. The Skipper is light and easy to trailer and achieves top speeds without using a great deal of gas.

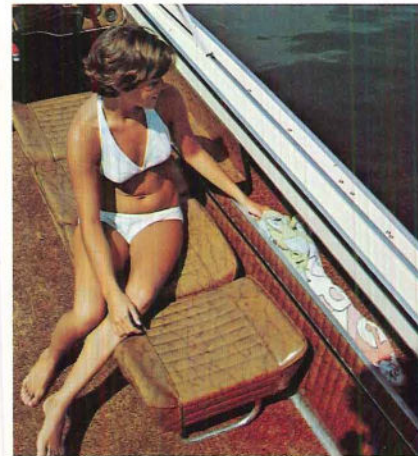

Carpet • Standard Top & Boot • Rec. Cap. persons 8

O/B

• Center Length: 18' 4" • Beam: 81" • Overall Height: 56¼"  
• Transom: H 21" W 78" • Interior Side Depth: 26½" • Rec. Cap. lbs. 1830 • H.P. 150 • Weight Systems Dry: 955 lbs.

I/O

• Center Length: 18' 6½" • Beam: 80½" • Overall Height: 55½"  
• Transom: H 38¼" W 78½" • Interior Side Depth: 31" • Rec. Cap. lbs. 1560 • Engines: 120, 140 • Weight Systems Dry: 1565 lbs.

# Fun Decks

# FIBERGLASS

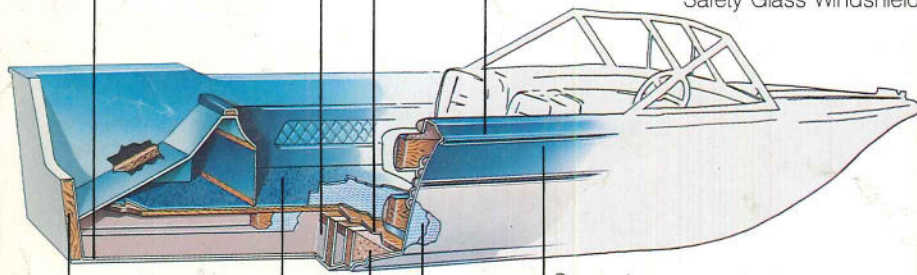

High stress areas in bow and chine have an extra layer of woven roving.

Wood stringers and cross braces are bonded to the hull for added strength.

Plywood floor is molded into place.

Gel-cote is sprayed to .018" for uniform color.

Safety Glass Windshield

Supports are fiberglassed to the underside of the deck.

Layers of chopped fiberglass and hand-laid woven roving are applied to build a hull thickness of at least 1/4".

Positive flotation in hull meets or exceeds B.I.A. and Coast Guard regulations.

1 1/2" plywood laminated to transom.

Mildew and sun resistant marine carpeting & vinyls.

Aircraft-type construction.

Positive flotation meets or exceeds B.I.A. and Coast Guard standards.

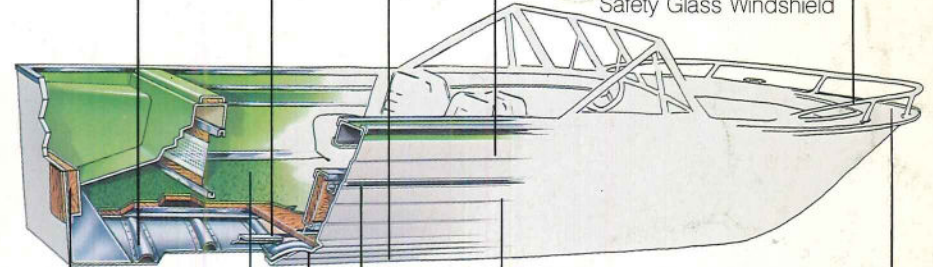

# ALUMINUM

One piece aluminum bottom eliminates center keel seam.

High gloss enamel is applied over acid-etch primer for maximum adhesion.

Deck framing is fastened with stainless steel bolts and reinforced with aluminum angles.

Safety Glass Windshield

Decks are installed over foam padding for noise and vibration reduction.

Hull and decks are made of 5052 marine aluminum for maximum corrosion resistance.

Protective rubber bumper rail

Lapstracking is rolled into hull sides to add strength without adding weight.

Mildew and sunlight resistant carpeting and vinyls.

Plywood reinforced transom.

Due to continuous research policy, specifications and prices are subject to change without notice.
