Sylvan

Design innovation and emphasis on individual preference. Two major directions Sylvan sets this year in family boating. Choice is the keynote. Whether you're looking forward to your first boat or you're looking to move up to your finest. There's a wide choice of aluminum and fiberglass Runabouts, Space Ships and Fishing boats. And remember, all Sylvan boats meet B.I.A. and Coast Guard requirements. See the outstanding '78 Sylvan lineup at your dealer soon.

V 197 I/O

The V 197 is a handcrafted masterpiece. With its own original design the V 197 is in a class of its own. She's got the speed and looks of a ski boat and the depth and muscle of a sea-going craft. Meticulous attention to interior appointments is tastefully accented with teak. Take the step up and put yourself into the quality and craftsmanship of the Sylvan V 197.
