Sylvan . . .
For Your Leisure

**“Why didn't
someone think
of this before?”**

Space Ships

We've tried for years to get the family together for a group activity. Sylvan finally gave us the answer! A boat that skis, cruises, races, holds the whole bunch — and more. The Sylvan Space Ships, available from 15' to 19', are the answer to our family outings. The Space Ship features heavy duty marine carpet, plenty of storage room, and full railing. It's ideal for bringing family and friends together — why did we have to wait so long?

I/O Motor Weights

**"Who said fun
is expensive?"**

Supreme Series Sylvan 20

Our Sylvan 20 is economical, no matter how you look at it. With a low horsepower engine, our pontoon can make a little gas go a long way. And in the 20' deck length, we can fit the whole family on board, and still maneuver easily. Plus, the swim deck up front saves us from the kids' splashing. What more could we ask for? Sylvan, we can bank on you.

Specifications: Sylvan 20

Length of pontoons 20' • Diameter of pontoons 19" • Length of deck 16' • Beam 8' • Swim deck area 4' x 8' • Length of enclosed area 12' • Number of support channels 9 • Net weight 1015 lbs. • Maximum horsepower recommended 50.

Optional Equipment: 6-piece lounge-a-round furniture • Mooring cover • Camper enclosure • Boarding ladder • (Adjustable transom • Right or left hand steering at no extra cost).

Color Availability: Moonlite Brown, Blue, Burgundy, Rust, Green, Yellow.

**“Can we go
again tomorrow?”**

Supreme Series Sylvan 24

You'll surely want to with the Sylvan 24. The sturdy 19" diameter of the heavy gauge aluminum pontoons provides smooth riding while the 20' deck gives you room for all the sun and shade you need. And Sylvan quality promises long-lasting beauty, cruise after cruise after cruise.

Friends of Sylvan

Take a close look. From our fast-breaking fiberglass line to our energy conscious lightweight aluminum fishing boats, runabouts and pontoons, we think you'll like the new 1980 Sylvans.

All Sylvan boats are the result of continuous research and craftsmanship. And all are BIA certified and comply with U.S. Coast Guard regulations.

Sylvan offers a truly magnificent line of nationally recognized boats to make your ultimate choice a happy one. Talk it over with your Sylvan dealer now. Let him fill you in on the complete, interesting story.

Sylvan

Sylvan Marine
P.O. Box 25 • New Paris, IN 46553

1. Nose cones on all Sylvan boats have upswept design and are capped with a solid aluminum extrusion for added strength. Spray onto the deck is eliminated by deflectors on both nose cones.

2. Heavy gauge aluminum pontoons are etched for lasting beauty. Bulkhead at every weld seam. $\frac{3}{4}$ " aluminum keel bar runs full length of each pontoon. Heavy cross support channels every two feet.

3. Deck and canopy running lights are prewired. Top lights have quick disconnect plugs mounted on canopy posts. (Supreme line only.)

4. Entire deck edge is trimmed in aluminum extrusion for protection and beauty.

5. Swim deck railing provides extra safety factor and allows entry or exit from higher side. Made of anodized aluminum (Supreme line only.)

6. Deck railings of $1\frac{1}{4}$ " square aluminum are raised $\frac{1}{2}$ " off deck for drainage. Fully anodized; no oxide rub-off. Advantage 1" etched acid.

7. All Sylvan Supremes have four gates (except 28 I/O and 16 Advantage) that open in for safety. Each gate has a vinyl coated latch and welded hinges for extra strength.

8. Deck is exterior plywood treated with Wood-life preservative. Marine pile carpeting covers entire deck, vinyl on Advantage.

9. Fence and gate panels of aluminum with colorfast, baked-on enamel. Panels are locked-in by Sylvan designed extrusion. Color availability: Yellow, Sea Blue, Avocado, Moonlite Brown, Burgundy, Rust, Green.

10. Double post canopy uprights permit easy raising or lowering of canopy. Anodized aluminum. Quick disconnect plugs for canopy light wiring. (Supreme line only.)

11. Upholstered, water resistant pilot's chair. Steering stand upholstered to match pilot's chair. Teak and chrome wheel. Built-in lockable compartment. (Supreme line only.)

12. All Sylvan canopies are made of weather-resistant fabric. Canopies are color coordinated with deck covering, fencing, steering stand and pilot's chair. Curved design for water run-off. (Four double post uprights provide solid support.) Supreme line only.

13. Gates on Sylvan pontoon boats open inward only. And all models (except 28 I/O) have rear gates for easy access to motor, fuel tank and ski ropes.

14. Fixed transom is made of heavy anodized aluminum with marine plywood motor mount. (Maximum h.p. for long shaft motors is 85-22" tube). Adjustable transom available at no extra cost for short or long shaft up to max.-35 h.p.

At no extra cost boat can be ordered with steering on left center or right center, or right side.

Due to continuous research policy, specifications and prices are subject to change without notice.

Sylvan also makes a complete line of Fiberglass and Aluminum Runabouts, Space Shins, Fishing Boats and Canoes.
