14 Reasons to Buy Sylvan Fiberglass Boats

The beauty of a Sylvan boat goes well beyond that which is obvious to the eye. Advanced engineering techniques, solid construction features and the hands-on participation of the Sylvan management team are what makes these boats special. See for yourself how these boats beat the competition, then buy a Sylvan.

1. Smooth riding performance V-hull that planes quickly and runs efficiently.

2. All incoming fiberglass raw materials are quality tested in our own quality control lab.

3. Rugged construction with up to 11 layers of fiberglass and hand-laid roving, balsa core and coremat sandwich on some models.

4. Fade-resistant, U.V. inhibited ISO/NPG gel-coats for lasting beauty.

5. High grade marine vinyls and plush carpets are U.V. resistant.

6. Non-corrosive fittings with stainless steel fasteners.

7. Ample storage space and in-floor ski storage in some models.

8. Custom-fitted upholstery fabricated and installed in our own factory for rigid quality control.

9. Custom wiring and instrumentation made to our specifications.

10. AM/FM stereo-cassette with built-in speakers.

11. Rack and pinion steering on most models.

12. Swim platforms either teak or molded in on most models.

13. Sylvan boats meet or exceed all U.S. Coast Guard specifications for your boating pleasure and safety.

14. All fiberglass boats are covered by our exclusive 2-year limited warranty.

Sylvan Limited Warranty

Sylvan warrants each new fiberglass hull and aluminum welded hull for a period of two (2) years, and each new riveted aluminum hull for a period of ten (10) years, from the date of purchase by the original purchaser (based on years of use, under normal recommended operating conditions) as described in the warranty folder. A copy of the Sylvan Limited Warranty is attached to each new Sylvan boat, or may be obtained from any Sylvan dealer or the Sylvan factory.
